#### **About Us**

The National Organization of Alternative Programs (NOAP) was founded in Arlington, Virginia in March of 1999. Originally founded with the support of the National Council of State Boards of Nursing, NOAP felt it could better reach multidisciplinary and non-nursing programs as a separate organization.

NOAP was established to promote public safety by developing alternatives to licensure discipline, promoting safe practice and retention through rehabilitation, monitoring, research, education and standardization of programs; and to collaborate with other professional and consumers to achieve those outcomes.

The mission of NOAP is to promote public safety through participation of potentially impaired healthcare professionals in monitored rehabilitation and recovery as an alternative to license discipline, emphasizing fitness to practice and retention of competent professionals. NOAP is committed to working in cooperation with regulatory and professional organizations toward this objective.

#### **Sunset Sail**

View St. Augustine's historic charms from a unique perspective. Enjoy a gorgeous two hour sail, look out for dolphins or cuddle with your special someone while sipping a cool drink. Passengers are more than welcome to help set sail and maybe even take the helm. We don't have a set sailing path, we go where the wind takes us. Watch the sun set and enjoy the beauty of the St. Augustine skyline outlined with sunlight. Music, wind in the sails, and the sunset-drenched landscape provide a perfect end to your day on the town or the perfect beginning to your night.

# Date/Time:
