

NOAP Research Committee Meeting Minutes

June 8, 2022

Meeting opened at 2pm EST

Roll call

- John Furman - present
- Maureen Farrell - present
- Abby Migliore - present
- Mike Harkreader - excused
- Andrew Haviland - excused
- Sheron Russell - excused

1. Review of May meeting minutes: Minutes accepted as written
2. NOAP conference debrief: Overall positive comments. Support making the treatment provider panel a standard agenda item.

Action: No action

3. Research publication review:

Choflet, A, et al (2022). *The Nurse Leader's Role in Nurse Substance Use, Mental Health, and Suicide in a Peripandemic World*. Nursing Administration Quarterly. (attached)

Foli, K.J., et al (2020). *Substance Use in Registered Nurses: "I Heard About a Nurse Who..."*. Journal of the American Psychiatric Nurses Association. (attached)

Action:

1. Foli paper selected as research publication of the month
2. John shared [Washington nurses, health care workers are dying of opioid overdoses | The Spokesman-Review](#)

4. Continued discussion regarding standard performance measures project.

- Research question development:
 1. What are the core constructs or domains to be included in the COS?
 2. What are the differences in priority and perspective between different professions?
 3. What outcome items are rated most important?
 4. How should outcome items be optimally defined and captured?
- Method: Develop a methodology based on the NIDA COS-ODU project
[Core outcomes set for research on the treatment of opioid use disorder \(COS-ODU\): the National Institute on Drug Abuse Clinical Trials Network protocol for an e-Delphi consensus study \(duke.edu\)](#)

Action: John will develop a draft methodology

5. New project proposal Developing a Consensus Standard Drug Test Panel: After the conference MRO panel John spoke with Joe Jones about the possibility of the panel developing a consensus standard monitoring panel possibly an update to the NCSBN panel (attached). Joe was open to the idea. John then ran by Barry Lubin and he was also open.

Action: John will bring to the NOAP Board for consideration. If supported a project proposal will be developed.

6. Consider NOAP endorsement of the FSPHP Position Statement: *Safety Considerations for Medication Treatment of Opioid Use Disorders in Monitored Health Professionals* (attached): Reviewed the FSPHP Position Statement. The committee felt that it is a reasonable, objective position.

Action: John will bring to the NOAP Board for endorsement consideration.

7. Old Business: None

8. New Business: None

Respectfully Submitted by John Furman, Committee Chair
