

NOAP Research Committee Meeting January 12, 2022

Minutes

1. Call to order by John Furman at 1100 PST
2. Roll call
 - John Furman - present
 - Maureen Farrell - present
 - Abby Migliore - present
 - Mike Harkreader - present
 - Andrew Haviland - present
 - Sheron Russell - present
3. Approval of minutes: The committee did not meet in December.
4. Review state survey responses and program aims (objectives): Performance measures from 16 state programs along with recommended measures from NCSBN and FSPHP have been collected. The measures have been summarized and stratified into performance, outcome, and balance measures. State program mission statements are also included. Top 5 concepts are:
 - Public/patient safety
 - Recovery/compliance monitoring
 - Earned advocacy
 - Early identification and referral for evaluation/treatment
 - Safe return to practice

Actions: John will assign each committee member a group of states to evaluate in a more in-depth manner.

5. Review of measure types: Reviewed IHI measure types. Discussion regarding building structure (mission, aims, outcomes...) and project focus. Agreed that outcome measures appear to be most lacking in state and association process improvement activities. Most probably due to the difficulty in quantifying and applying program wide. Examples of outcome measures given include:

6. Next steps: John will ask Shane Moes to attend an upcoming meeting to discuss issues with data collection, comparability, reporting, etc.

7. Old Business:

- Still working on scheduling a meeting with FSPHP.

8. New Business:

- No new business

Meeting adjourned at 1200 PST
