

# GET YOUR NPDB SELF-QUERY

Health care professionals can find out if there is a report about them in the National Practitioner Data Bank (NPDB) by ordering a Self-Query.

R  
T

**Go to:**  
[www.npdb.hrsa.gov/SQ](http://www.npdb.hrsa.gov/SQ)

Complete the Self-Query form with your identifying information.

Enter payment information to proceed with your order.

Verify your identity:

- Answer questions online that only you will know,
- OR
- Get a paper form notarized, then scan and upload it, or mail the pages to us.

*Do not open your envelope if you are sending your results to an organization. Most require the NPDB envelope to be sealed and unopened.*

*Your Self-Query response is only valid for 45 days from the process date. You will need to submit a new Self-Query order each time a response is needed.*

Self-Queries are used for:
